Main Bio

Allison Davis focuses her practice in corporate and securities with an emphasis on healthcare regulatory and transactional law.

Allison represents healthcare clients in all stages of the business entity lifecycle including formation, compliance, acquisitions, sales, and dissolution. Allison also represents clients in the negotiation and drafting of provider agreements, state and federal licensing, Medicare and Medicaid enrollment, Stark and Anti-Kickback compliance, HIPAA compliance, and insurance regulatory law. Allison counsels companies and physician groups to address their regulatory compliance and liability risk challenges arising from the use of digital health, telehealth, and direct primary care/concierge medicine.

Allison also advises healthcare and non-healthcare clients on corporate governance issues, mergers and acquisitions, and SEC reporting and securities law compliance. Allison works closely with our commercial finance team on healthcare transactions involving loan components and lending relationships.

Representative Transactions

- Advised lender with respect to health facility state licensing and governmental payor enrollments and potential default risks regarding facility loss of licensure and payor exclusion
- Assisted commercial finance team in preparation of loan documents to contain Medicare compliant accounts receivable lending structures
- Represented a national grocery, pharmacy and retail company in its acquisition of a large regional-based grocery and pharmacy chain
- Conducted annual director reviews for multiple public companies based in global technology, homebuilding, and technology products to assess board and committee performance and to formulate board of directors performance benchmarking standards suited for each company
- Represented well-known healthcare facility management company in its acquisition of 50+ healthcare and healthcare-related entities across eight states
- Represented state licensee of a large, national health insurance provider in connection with its corporate restructuring process and its acquisition of a managed care organization with an enterprise value purchase price of approximately \$650 million
- Assisted large, Arizona-based physician group with its commercial contracting needs including advising on compliance issues and provider contracting across 15+ Arizona and Southern California office and surgery center locations

- Advised Arizona-based pediatric practice in its sale to national private equity buyer
- Represented large, privately owned cardiovascular practice in connection with regulatory and compliance advice as well as the sale of the practice to a private equity buyer
